

I know it's been some time
but there's something on my mind

You see
I haven't been the same since that cold November day.
We said we needed space
but all we found was an empty place

And the only things I learned is that I need you desperately.
So here I am and can you please tell me:

Where do broken hearts go
can they find their way home

Back to the open arms of a love that's waiting there?
And if somebody loves you
won't they always love you?
I look in your eyes and I know that you still care for me.

I've been around enough to know that dreams don't turn to gold
And that there is no easy way
No you can't just run away.
And what we had was so much more than we ever had before

And no matter how I try
I can't get you off my mind.
Here I am
and can you please tell me:

Where do broken hearts go
can they find their way home

Back to the open arms of a love that's waiting there?
And if somebody loves you
won't they always love you?
I look in your eyes and I know that you still care for me.

And now that I am here with you I'll never let you go
I look into your eyes
I know, now I know

Where do broken hearts go
can they find their way home
Back to the open arms of a love that's waiting there?
And if somebody loves you [if somebody]
won't they always love you?
I look in your eyes and I know that you still care for me. [for me]

Yeah. Yeah. Yeah.
