

Where do you think you're going?  
Don't you know it's dark outside?  
Where do you think you're going?  
Don't you care about my pride?  
Where do you think you're going?  
I think you don't know  
You got no way of knowing  
There's really no place you can go

I understand your changes  
Long before you reach the door  
I know where you think you're going

I know what you came here for  
And now I'm sick of joking  
You know I like you to be free  
Where do you think you're going?  
I think you better go with me girl

You say there is no reason  
But you still find cause to doubt me  
If you ain't with me girl  
You're gonna be without me

Where do you think you're going?  
Don't you know it's dark outside?  
Where do you think you're going?  
I wish I didn't care about my pride  
And now I'm sick of joking  
You know I like you to be free  
So where do you think you're going?  
I think you better go with me girl
