Baby please don't go

Don't feel no press  
All you gotta do is make a move  
Just see my groove  
That is for you (only you)

So im asking you baby  
Where is your love

Where is your love, Where is your love  
Cause I ain't feeling it no more  
Don't tell me it's gone now, don't you know  
Baby, please don't go

Where is your love, (Where is your love)  
Where is your love  
Cause I ain't feeling it no more (Cause I ain't feeling no more)

Baby, please don't go

Everytime I see your face  
My body rase  
I just wanna take it slowly  
Emotionly  
My baby (baby, baby, baby, baby)

Now stop, beeing cold to me  
Baby stop, putting tricks on me  
I said stooop....
