

Hey man what do you want from me?  
you're such a son of a gun  
why don't you try to behave  
I was a simple guy  
hanging with my friends  
I didn't have much but I was fine

chorus:  
even if I fall apart won't tear me down  
even if it's in my face, can't hear a sound  
funny everyone who starts to come around  
to be my best friend

verse 2:  
listen  
hey man, I'm making my own choice  
decided to have some fun  
I'll be best on my own  
I'm not so easily controlled  
I've got my own voice  
you can't take it from me  
what i make will be mine ....will be mine

chorus

bridge:  
once upon a time I was just a cityboy  
watching all the girls as they were passing by  
now its complicated don't know who to trust  
who's a real friend

chorus:  
even if I fall apart won't tear me down  
even if it's in my face, can't hear a sound  
funny everyone who start to come around  
to be my best friend
