Title: Why don't you go

download from: <http://www.lyricsdisc.com>

The love we had was so nice
I fell so terribly sorry
and now I'm paying the price
I'm just so terribly sorry
why does it hurt me so bad
I only learn when I'm burning , oh now
and now it's making me sad
cause I know you're not returning . So

Why don't you go . 2x
If you have to live your life
I'll let you go . 2x
If you have to live your life .

Look haw far we have come
it all seems so unnecessary
before the pain there was fun
and there was nothing to worry
some things are hard to understand
the reasons for your departure , oh now
with no destination no plan
but I know if you stayed it' be harder
all right now .

Why don't you go ...

Dogs bark lauder threes grow stronger
when there's peace at mind ... oh
the ocean waters will be calmer now

Just look haw far we have come
I feel so terribly sorry
I put it down on a song
so I can erase the memories
everybody now .

Why don't you go ...
