Title: Winter In My Heart

download from: <http://www.lyricsdisc.com>

I need a summer but the summer's come and gone
I need a summer but it's winter in my heart
It's all the same
The fucked up game you play with me
I need to hold you
But you're never coming back

I can't get
Any lower
I can't find
All the pieces of my broken life

I need a summer but the summers come and gone
I need a summer like a winter in my heart

I can't get
Any lower
I can't find
All the pieces of my broken life

But I try..
I still try
