Title: Wipe The Flesh Away

---

Wipe the flesh away from your eyes.  
Have you any understanding?  
Have you any understanding?  
These things we ponder. (Death)  
You will make your choice. (Your choice)  
These things we ponder. (Death)  
You will make your choice. (Your choice)  
Wipe the flesh away from your eyes.  
Battle play corrupt.  
Human against human.  
Human against.....  
Wash your hands of this world.
