

Take your hand
And place it in my pocket
Flick your eyes back in their sockets
Put those thoughts away
Sometimes they're much too loud
I'll take a breath
And cradle your sweet head
Should've stayed at home in bed
Put that face away, I'm melting for you

I know, I get cold
Cos I can't leave things well alone
Understand I'm accident prone
Me, I get free
Every night the moon is mine
But when the morning comes
Don't say you love me
Don't say you need me
I really don't think that's fair
Boy I'm not so dumb
But when you leave me
I'll be wishing I, wishing I, wishing I was there

I dreamt
About another girl in bed with you
You just laughed and smiled
Denied the proof
We're fine till I think of a problem
I wish it made sense
Like a joke that no one gets
It's a life without regret
I want it to feel that way, forever and ever

I know, I get cold
Cos I can't leave things well alone
Understand I'm accident prone
Me, I get free
Every night the moon is mine
But when the morning comes
Don't say you love me
Don't say you need me
I really don't think that's fair
Boy I'm not so dumb
But when you leave me
I'll be wishing I, wishing I, wishing I was there
