Title: Without MSG I Am Nothing

download from: <http://www.lyricsdisc.com>

get carter to the phone, don't teach him how to cook
that'd kill him
without it she is great, a little underweight
but still appealing

everywhere i look is a darkness

i get my msg from digital tv
good consumer
you aren't the only one who has no trousers on
good audition

everywhere i look is a darkness

my my my my my my
my my my my my my
my my my my my my
my my my MY

get carter to the phone, don't teach him how to cook
that'd kill him
without it she is great, a little underweight
but still appealing

everywhere i look is a darkness
