---

Carry me away  
I know your angel eyes can see through me  
Carry me away  
Far away from the love you give so generously  
So generously  
Woman, oh, whoah

I got a burning heart  
I need to tell you that it's you I love  
I got a burning heart  
I need to tell you that I never get enough  
Never, never, never, never get enough  
Woman, oh, whoah

Marry me today  
I'll give you everything except my car  
Marry me today  
I'll give you all I own but my guitar  
But my guitar and my car  
Woman, oh, whoah

Let me hold your hand  
Oh, baby, I know you understand the way I feel

Baby, I know you understand  
That all I wanna do is take your hand  
I don't want to do you no harm  
All I wanna do, I wanna do, oh  
Woman, I'll be your man  
Woman, I'll be your man  
Woman, I'll be your man
