

Woman Love, hey hey hey, woman love, hey hey  
Woman Love, hey hey hey, woman love, hey hey

Well I went to my good doctor not so long ago  
A-walkin' in a circle and moanin' low  
He looked at me and said, Good Lord above, son,  
You need a vaccination of a-woman love.

Well I'm lookin' for a woman with a one track mind  
A huggin' and a kissin' and a smoochin' all the time  
I'd build her a castle to the moon up above  
I sure am a needin' me some woman love. (Let's rock)

We'll I'm lookin' for a lovin' gal that needs a lot of care  
Not worried about her figure or the color of her hair  
The doctor really scared me when he said, Good Lord above,  
You sure am a-needin' you some woman love.

Well I'm tired of walkin' circles, tired of moanin' low  
I want my baby with me everywhere I go  
I want my lovin' baby to call him turtle dove  
I sure am a-needin' me some woman love (Let's rock again)

Well I'm tired of walkin' circles, tired of moanin' low  
I want my baby with me everywhere I go  
I want my lovin' baby to call him turtle dove  
I sure am a-needin' me some woman love.

Woman Love, hey hey hey, woman love, hey hey  
Woman Love, hey hey hey, woman love, hey hey  
Woman Love, hey hey hey, woman love, hey hey
