

(heee eh heee heee)  
(wonder were you are)

I see you go out again  
to escape from the pain  
shouldnt left you alone (no)  
baby listen to me  
i cant help how i feel  
theres an end of my love

you can run you can cry  
but look deep in my eyes  
our love must be through  
i think im loosing it all  
i dont want you to fall  
so take my hand  
and tell me were you are

I need to know  
i wonder were you are  
i need to know  
i wonder were you are  
i need to find the love i once had for you  
i wonder were you are

You went away from it all  
couldnt take it no more  
i fear you are gone  
would like to see you again  
say i never walk away  
but i know its to late  
(and i know its to late)

you can run you can cry  
but look deep in my eyes  
our love must be through  
i think im loosing it all  
i dont want you to fall  
so take my hand  
and tell me were you are

I need to know  
i wonder were you are  
i need to know  
i wonder were you are  
i need to find the love i once had for you  
i wonder were you are

(wonder were you are)

Maybe you'r walking in my dreams  
maybe i just wanna hold you  
i need to find the love i once had for you

i wonder were you are  
i wanna know were you are  
i need to find the love i once had for you  
i wonder were you are

I need to know  
i wonder were you are  
i need to know  
i wonder were you are  
i need to find the love i once had for you  
i wonder were you are

I need to know  
(i really need to know who you are)  
i wonder were you are  
i need to know  
i wonder were you are  
i need to find the love i once had for you (i need you love)  
i wonder were you are
