

CHORUS

Worry, about it later,
We couldn't resist, the risk.
Worry, about it later,
We couldn't resist, the risk.

(Ooooooooooh!!
Ooooooooooh!!
Ooooooooooh!!
Ooooooooooh!!)

I'm always foolish,
Stupid and ____
No-one to disguise it,
No turning back.

I will pay, I will pay, I will pay,
As much or as little as I have to,
To try and confuse you,
Because you have to do,

CHORUS

Worry, about it later,
We couldn't resist, the risk.
Worry, about it later,
We couldn't resist, the risk.

(Ooooooooooh!!
Ooooooooooh!!
Ooooooooooh!!
Ooooooooooh!!)

Never to return,
Because one turn is enough,
Two sides of the same coin,
But it's the bad luck stuff.

I will pay, I will pay, I will pay,
As much or as little as I have to,
To try and confuse you,
Because you have to do,

CHORUS

Worry, about it later,
We couldn't resist, the risk.
Worry, about it later,
We couldn't resist, the risk.

Worry, about it later,
We couldn't resist, the risk.
Worry, about it later,
We couldn't resist, the risk.

(Oooooooooohhhhh!!!)

Risk.....
Risk.....
Risk.....
(Worry, about it later)
Ooohhh.....
(We couldn't resist, the risk.)
OOoohhh.....
(Worry, about it later)
Ooohhh.....
(We couldn't resist, the risk.)
