

Calling out, calling out
Haven't you wondered
Why I'm always alone
When you're in my dreams
Calling out, calling out
Haven't you wondered
Why you're finding it hard
Just looking at me
I want you
But I want you to understand
I need you
I love you

Didn't want to leave you
With the wrong impression
Didn't want to leave you
With my last confession
(Yea) Of love
Wasn't trying to pull you
In the wrong direction
All I wanna do is try to
Make a connection
Of love (Yea Yea ooh)

Falling out, falling out
Have you ever wondered
If this was ever more
Than a crazy idea
Falling out, falling out
Have you ever wondered
What we could've been
If you'd only let me in

I want you
But I want you to understand
I miss you
I love you

Didn't want to leave you
With the wrong impression
Didn't want to leave you
With my last confession
(Yea) Of love
Wasn't trying to pull you
In the wrong direction
All I wanna do is try to
Make a connection
(Yea)Of love
Have you ever wondered (Yea,Yea...ooh)

I need you
I love you

Didn't want to leave you
With the wrong impression
Didn't want to leave you
With my last confession
(Yea) Of love
Wasn't trying to pull you
In the wrong direction
All I wanna do is try to
Make a connection
(Yea)Of love

I Didn't want to leave you
With the wrong impression
Didn't want to leave you
With my last confession
(Yea) Of love
Wasn't trying to pull you
In the wrong direction
All I wanna do is try to
Make a connection
(Yea)Of love
