

I know you've got my back
From the way you plan your next attack
I know you've placed your bets
By the way you like to watch me sweat
If I could have my way
I'd chain you down and make you stay

'Cause you're the yes man,yes man, nobody else can
You're the best man, yeah man, nobody else can
You're my left hand,right hand, man , you're the right man
You won't let me down
You won't let me down
You won't let me

I know you in the dark
By the way your hands pull me apart
I know you in the day
By the way you're here but miles away
I know you're in the mood not to be attached or be misused.

'Cause you're the yes man,yes man, nobody else can
You're the best man, yeah man, nobody else can
You're my left hand,right hand, man , you're the right man
You won't let me down
You won't let me down
You won't let me
Down down baby
Take me Hot and Hazy
Leave me Limp and Lazy

You can't save me
You can't save me
You can't save me
Oh no

I'll be your sacrifice
Lysistrata, I'm the perfect daughter
The perfect slaughter, the perfect slaughter

Yes man,yes man, nobody else can
You're the best man, yeah man, nobody else can
You're my left hand,right hand, man

You wont let me down
You wont let me down
You wont let me down
You wont let me down

Down down baby
Take me Hot and Hazy
Leave me Limp and Lazy

You can't save me
You can't save me
You can't save me
Oh yeah

Down down baby
Take me Hot and Hazy
Leave me Limp and Lazy

You can't save me
You can't save me
