Title: You Alone

---

Desperately wanting to just find a way  
Searching and seeking for someone to say  
That its alright and its ok  
Like I know you can

That its alright and its ok  
Like I know you can

(Chorus)  
You alone are God  
I am yours and you are mine  
And I know the heavens will call out your name  
If I don't

I close my eyes  
And I drift away  
To a place I remember  
To a place I feel safe  
Where its alright and its ok  
Cause I'm there in your arms

Where its alright and its ok  
Cause I'm there in your arms

You alone are God  
I am yours and you are mine  
And I know the heavens will call out your name (repeat)

(Bridge)  
You forgive me  
You accept me  
Just as I am  
And you love me  
And you want me  
To understand

(Chorus)
