Title: You and Me

download from: <http://www.lyricsdisc.com>

What day is it? And in what month?
This clock never seemed so alive
I can't keep up and I can't back down
I've been losing so much time

'Cause theres you and me and all other people
With nothing to do, nothing to lose
And theres you and me and all other people
And I don't know why, I can't keep my eyes off of you

What are the things that I want to say
Just aren't coming out right
I'm tripping on words
You get my head spinning
I don't know where to go from here

'Cause theres you and me and all other people
With nothing to do, nothing to prove
And theres you and me and all other people
And I don't know why, I can't keep my eyes off of you

There's something about you now
I can't quite figure out
Everything she does is beautiful
n' everything she does is right

'Cause theres you and me and all other people
With nothing to do, nothing to lose
And theres you and me and all other people
And I don't know why, I can't keep my eyes off of

You and me and all other people
With nothing to do, nothing to prove
And theres you and me and all other people
And I don't know why, I can't keep my eyes off of you

What day is it? And in what month?
This clock never seemed so alive.
