

The other night dear as I laid sleeping I dreamed I held you in my arms  
When I awoke dear I was mistaken and I hung my head and cry  
You are my sunshine my only sunshine you make me happy when skies are grey  
You'll never know dear how much I love you please don't take my sunshine away

You told me once dear you really loved me and no one else could come between  
But now you've left me and love another guess you've shatered all my dreams  
You are my sunshine...
