Title: You Found Me First

download from: <http://www.lyricsdisc.com>

I thought I was ahead of the game
Even though I could not name what I was looking for
I thought I had it all worked out
Even though I was feeling the worry and the doubt
I tried to hide behind myself
but You saw right through myself

(Chorus)

You found me first
When I was at my worst
And now I know the love of Jesus Christ
Cause I have You in my life

When I did not know what love was for
It was the very key that opened my heart
