

so what YOU make me hard
if i was harder now i would crack into a million things
things i didn't really need
but how i wanted so
what a nice dream
didn't want to wake up
so i kept it dark all the time
dark enough so not to see
but not as dark as the plans that YOU have for me
so what YOU made me smile
i had smiled at lesser things before i ever thought of YOU
before i thought my soul was mine
now i think about me only when i can find the time
flowers all around
put your lover in the ground
flowers everywhere yeah yeah yeah
nowhere YOU can be found
i have put YOU in the ground
nowhere is everywhere
for YOU my flower
better get myself a drink
better get a couple so i can look YOU straight in the face
tell YOU that i think of YOU
almost as much as YOU think of YOU
