Title: You're nightmare, my life

download from: <http://www.lyricsdisc.com>

This is your nightmare, this is my life
Nothing is stable, just how I like it
You always said that you wanted the good life
But now you have money and you're all alone
I've got no money, but I live the good life
I have excitement and I've got my friends
I won't settle down and become a boring asshole like you
Never, Never

(Chorus)
You've become jaded and now you're an asshole
You lost your ideals and gave up the fight
I'm still fighting the confines of society
Continuing the struggle I'm in it for life
I won't settle down and become a boring asshole like you
Never, Never

(Chorus)
